Mr. PRINTER.

SIR,

A Perſuaſion that it is the indiſpenſable Duty of every Individual of a Community, to uſe his utmoſt Abilities in promoting any Deſign for the Public Good, makes me preſume to give you this Trouble; and I hope the ſame Motive will induce you to inſert the following in your uſeful Paper.

AS every Deſign calculated to alleviate the Diſtreſſes of Mankind, has always been accompanied with my warmeſt Wiſhes, and what Support my Abilities would admit of, an Advertiſement of the FELLOWSHIP SOCIETY, deſiring the Attendance of the Members, to hear a Charity Sermon for their Benefit, prompted me to inform myſelf of the Nature of that Inſtitution; and I muſt own the Pleaſure I received, from underſtanding that a Set of benevolent Men have aſſociated themſelves, for the Purpoſe of erecting an Infirmary for the Reception of ſuch ſick Perſons as cannot procure the Attendance neceſſary at that moſt diſtreſſing Period; a Deſign truly worthy of this Province, ever forward to promote any Inſtitution for the Intereſt or Honour of America. As to mitigate the Afflictions incident to human Nature, is the moſt Godlike Act of Man; ſo muſt any Effort to that *End* intereſt every benevolent Heart in its Succeſs; yet, even the extenſive Charity of this Inſtitution, is not the only Inducement to engage us in its Favour; the Opportunity it will give Phyſicians of underſtanding the Diſeaſes incident to our Climate, is an Advantage in which every Individual ſhould think himſelf concerned; but the Eſtabliſhment of Hoſpitals in every civilized Country is the ſureſt Proof of their Utility. How muſt we then regret that this Deſign ſhould be retarded for want of a ſufficient Fund, notwithſtanding the liberal Contributions of the Society! It appears they have exerted themſelves to the utmoſt; yet, ſtill the Deſign may fail, without the Aſſiſtance of ſome generous Benefactors.

I therefore hope their preſent Application will not be unſucceſsful, and that a Deſign ſo evidently calculated for the Benefit of this Province, will meet with deſerved Encouragement.

I am, your's, &c.

FEBRUARY 30. "*Moderate men,* (ſays a writer in favour of the liberty of the preſs) are apt to cry down the preſent *licentiouſneſs* of the preſs; let us aſk them, will they hazard all the benefits that ariſe from an open and free publication, merely to ſuppreſs "the growing evil," as they term it? Will ſuch men be hardy enough to venture upon the deſtruction of ſo noble a fabrick? Will they be ſo daring as to ſtrike immediately at the roof, the very foundation of that roof which protects them from the inclemencies of the weather? And all this to get rid of an *imaginary* inconvenience. Upon theſe terms I think we may ſafely anſwer for theſe men of *moderation*; for they have *prudence* too. Shall we attempt to diſengage ourſelves from ſo *trifling* a miſchief by the entire ſacrifice of our lives and properties? Certainly no; here the queſtion comes home, and nature prompts every individual to ſelf-preſervation. If we eradicate the genuine ſtamina of our freedom, by choaking up the channels of public intelligence---farewell all the learning, wit, and genius of the nation---farewell that generous emulation in the cauſe of liberty and our country, which was wont to animate the boſoms of our glorious anceſtors; we ſhall, by ſuch falſe proceeding, open a ſluice for every ſpecies of corruption and abhorred tyranny."

CHARLES-TOWN, APRIL 7.

THURSDAY laſt the Honourable the Commons Houſe of Aſſembly of this Province met here, when they unanimouſly rechoſe the Honourable Peter Manigault, Eſq; to be their Speaker, and the next Day they preſented Mr. Speaker to his Excellency the Governor, who was pleaſed to approve of their Choice; and then opened the Seſſion with the following SPEECH, viz.

Honourable Gentlemen,
Mr. Speaker, and Gentlemen of the Commons Houſe of Aſſembly,

THE pleaſing Proſpect I entertained from the Aſſurances I received ſoon after my laſt Arrival, that the Buſineſs of the Province would be proceeded upon, with that cool Deliberation that makes the Public Welfare its chief Object, was moſt diſagreeably interrupted by the Commons Houſe of Aſſembly perſiſting in their Claim, to diſpoſe of and iſſue Public Money without the Conſent and Concurrence of the other two Branches of the Legiſlature, and by their impriſoning the Public Treaſurers for refuſing to advance a Sum of Money, in Conſequence of an Order of their Houſe only: As ſuch a Proceeding was conſidered dangerous and unconſtitutional by the King, and after being appriſed of his Royal Inſtruction on that Subject, it was ſuch a Mark of Diſreſpect to the Crown, that it became my indiſpenſible Duty to ſignify my Diſapprobation of it, by diſſolving them; but as I am fully ſenſible that there are many very important Matters, that call for your moſt calm and ſerious Deliberation, I have taken the earlieſt Opportunity of again meeting the General Aſſembly, in Hopes that you will now proceed upon the Public Buſineſs with Alacrity, Temper and Moderation.

Mr. Speaker, and Gentlemen of the Commons Houſe of Aſſembly,

I ſhall order the Public Accounts to be laid before you, and deſire you will make Proviſion for diſcharging them: The Juſtice and Equity of ſatisfying Demands which have been ſo long due, as well as the Preſervation of the Public Credit, which is much impaired by the Tax-Bill's not paſſing, will plead more ſtrongly with you for entering upon that Buſineſs, with all convenient Diſpatch, than any other Reaſons I can urge.

Honourable Gentlemen,
Mr. Speaker, and Gentlemen,

I have met you with a Heart ſincerely devoted to the Public Good, and anxious for the Welfare and Proſperity of the Province, whoſe encreaſing Affluence I have remarked with peculiar Satisfaction; more compleat it will indeed be, if I could ſee public Harmony added to private Proſperity, and the ſeveral Domeſtic Regulations which require your Attention, adopted and matured by your Wiſdom and Diſcretion; but that your Time may not be miſpent in concerting Meaſures that may finally prove ineffectual, I think it is proper that I ſhould inform you, that his Majeſty has lately again ſignified to me, that it is his Pleaſure, that I ſhould adhere with Firmneſs to the Directions contained in his Additional Inſtruction of the 14th of April, 1770, and that it is his firm Reſolution to adhere to the Conſtitution: You will therefore perceive, that any Bills of the Tendency of thoſe mentioned in that Inſtruction, that do not contain the Reſtrictions ſpecified therein, muſt prove abortive; every Meaſure conducive to the Intereſt of the Province, I ſhall zealouſly endeavour to promote, and ſhall readily concur with you in whatever Regulations you may propoſe for that Purpoſe, provided I can do it conſiſtent with that Duty I owe to the King, and that Obedience I am bound to pay to his Commands. I ſhall be ſorry if my good Wiſhes and Intentions for the Welfare and Happineſs of the Province, are diſappointed and defeated, but ſhall have the Satisfaction to reflect, that any ill Conſequences that may reſult from a longer Interruption being given to Public Buſineſs, cannot be imputed to me.

April 3, 1772. C. G. MONTAGU.

To his Excellency the Right Honourable Lord CHARLES-GREVILLE MONTAGU, *Captain-General, Governor and Commander in Chief in and over the ſaid Province.*

The Humble ADDRESS of the UPPER HOUSE of ASSEMBLY.

May it pleaſe your Excellency,

WE his Majeſty's moſt dutiful and loyal Subjects, the Council of South-Carolina, now met in General Aſſembly, beg Leave to return to your Excellency our moſt unfeigned Thanks, for your Speech to both Houſes of Aſſembly at the Opening of this Seſſion, in which your Excellency's Candour and good Wiſhes for the Welfare and Proſperity of this Province are equally conſpicuous.

We beg Leave to aſſure your Excellency, that the Interruption given to the pleaſing Proſpect your Excellency entertained, from the Aſſurances you received ſoon after your laſt Arrival, "That "the Buſineſs of the Province would be proceeded upon, with "that cool Deliberation that makes the Public Welfare its chief "Object," filled us with the deepeſt Concern; but while we lamented the Diſtreſs into which this Country was thereby plunged, we had the Conſolation to reflect, that we have ever preſerved the moſt unſhaken Duty, Affection and Reſpect to our moſt gracious Sovereign, and moſt ſtrictly adhered to the Principles of the Conſtitution.

We entirely agree with your Excellency, that there are many very important Matters that call for our moſt calm and ſerious Deliberation, and with Gratitude, we acknowledge your Excellency's Attention to the Public Welfare, in taking this early Opportunity of again meeting the General Aſſembly; and we aſſure your Excellency, that we, on our Parts, will not diſappoint your Hopes, but will enter on the Public Buſineſs, with Alacrity, Temper and Moderation.

Your Excellency's Declaration, "That you have met us, with "a Heart ſincerely devoted to the Public Good, and anxious for "the Welfare and Proſperity of this Province," fills us with the warmeſt Sentiments of Gratitude and Joy: Becauſe, from our Experience and Knowledge of your Excellency, we have the ſtrongeſt Aſſurance, that ſuch Declaration is not made merely in Compliance with cuſtomary Forms, but is dictated by a Heart actuated by the nobleſt Motives, the Honour of our moſt gracious Sovereign, and the Happineſs and Proſperity of his Subjects, over whom you are appointed to preſide. We beg Leave to be Partakers of that generous Satisfaction your Excellency feels in the increaſing Affluence of this Province; and to aſſure your Excellency, that our utmoſt Efforts ſhall ever be exerted, to render that Satisfaction more compleat, by adding public Harmony to private Proſperity, and adopting and maturing ſuch Domeſtic Regulations, as the Public Neceſſities ſhall appear to us to require.

With Hearts deeply impreſſed with Gratitude, we acknowledge his Majeſty's paternal Goodneſs and Care of this Province, manifeſted in his Additional Inſtruction of the 14th of April, 1770, the ſame being in our Opinion wiſely calculated for the Preſervation of the Public Treaſure: It is therefore highly flattering to us, that the Royal Sentiments ſo exactly correſpond with our own; and your Excellency may be aſſured, that as faithful Guardians of the Conſtitution, we ſhall be always actuated by the ſame Principles.

We further beg Leave to aſſure your Excellency, that we have the fulleſt Confidence in the Sincerity of your Intentions, to promote every Meaſure conducive to the Intereſt of the Province, and to concur with the other Branches of the Legiſlature, in whatever Regulations they may propoſe for that Purpoſe.

And if your Excellency's good Wiſhes and Intentions for the Welfare and Happineſs of this Province, ſhould be diſappointed and defeated, we ſhall condole with your Excellency on ſo unfortunate an Event; but at the ſame Time we ſhall ſhare with your Excellency in the Satisfaction, on reflecting that any ill Conſequences that may reſult from a longer Interruption being given to Public Buſineſs, cannot be imputed either to your Excellency or to us.

In the Upper Houſe of Aſſembly, April 4, 1772. — *By Order of the Houſe,* OTHNIEL BEALE, Speaker.

His EXCELLENCY's ANSWER.

A fine LOT *for Sale by private Contract, viz.*

THAT valuable LOT of LAND in Charles-Town, known or diſtinguiſhed in the plan or model thereof, by the No. 191, ſituated at the weſt end and on the north ſide of Tradd-ſtreet, between the houſes of Alexander Fraſer, Eſq; and the late Captain Thomas Elliott, deceaſed, containing in front on ſaid ſtreet, fifty-eight feet, eight inches, or thereabouts, with the advantage of a paſſage; and in depth one hundred and forty-three feet, or thereabouts; whereon is a BRICK HOUSE deſigned for kitchens or two tenements that were intended to be built, and will ſtill ſerve thoſe purpoſes. This Lot has a fine ſouth proſpect of Aſhley-River, and as the proprietor of the oppoſite lot may perhaps make his front on Friend-ſtreet to be uniform with the other houſes built at the ſouth end and weſt ſide of that ſtreet, with the garden running eaſt and weſt, there will be no obſtruction to the ſoutherly air from Aſhley-River, which muſt be very agreeable in the hot months, and may prevent the communication of any malignant diſtemper that may rage in the interior parts of the town, or contagion ariſing from noxious effluvia. Its vicinity alſo to ſeveral good landing places on Aſhley-River, particularly the Sugar-Houſe-Creek, where a public market will no doubt be ſoon eſtabliſhed, will greatly enhance the value of all lands in that part of the town; alſo being ſituated in an excellent neighbourhood of reputable inhabitants, renders it not only more eligible, but ſecure againſt the danger of fire; and being a vacant lot, the purchaſer will have the ſatisfaction of erecting buildings thereon according to his own taſte for pleaſure or profit; the area or ground plot admitting either of one large manſion houſe of twelve rooms, or to be divided into two tenements of ſix rooms each, with land ſufficient behind for a kitchen garden to each. And, as houſes in that airy and pleaſant part of the town are ſeldom or ever empty, it will afford a certain good income quarterly.

The purchaſer may have one, two, three, or four years credit, giving bond, with approved perſonal ſecurity, and paying the intereſt punctually every year, and if he chuſes it, one third or one fourth part of the principal will be received annually, by which inſtalments, the purchaſe money will be eaſily and inſenſibly ſunk. RICHARD-PARK STOBO.

The Southern Boundary is not above a Mile and a Half diſtant from either of the Landing Places; and near about it are many Pine Trees fit for ſawing, with a large Number ſuitable for Spars, &c. which lay ſcattering throughout the Tract, together with a Quantity of Fire Wood.
